

Important Information about Google Classroom

Students may belong to more than one Google Classroom. Google Classrooms are set up for various school programs such as

- After School Program (ASES)
- Grade Level Learning Centers for extra help with classwork
- Indian Education

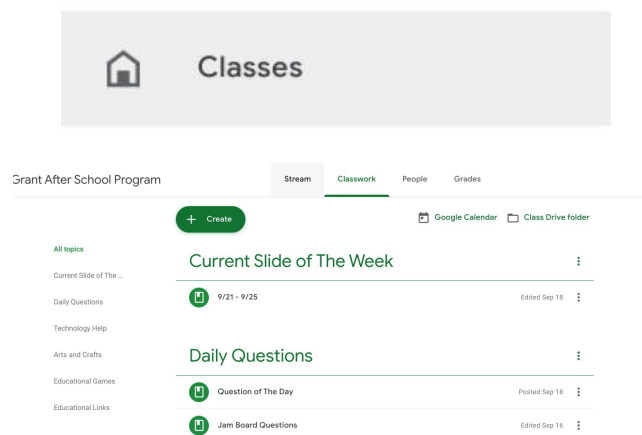

When students Log-In to Google Classroom they will see all the classes they belong to, like this:

For regular class meetings students will click on their teacher's classroom. Times when Learning Centers, After School Program, Indian Education, and other programs have meetings will be communicated.

Once you are inside a Google Classroom, you can go back to your list of classes by clicking on the three lines at the top left of the screen. Then choose “classes” from the drop down menu.

☰ Grant After School Program

Click on the Classwork tab in After School Program to see activities!
