Dear Parents,

School Site Council (SSC) was implemented to provide support to the school and staff for the greater good of the students. At Grant the council is composed of 5 members; the school principal, one teacher, one classified staff member, and two elected parents. Your SSC is responsible for developing a school improvement plan (The Single Plan for Student Achievement); providing input in the LCAP (Local Control Accountability Plan) which is the budget and periodically assessing the school program. SSC is advisory in nature and a necessary element in qualifying for and receiving various categorical funding sources.

Parents serve a two year term. Two council members' terms expired at the conclusion of last school year, and several people have indicated an interest in serving on School Site Council. Please fill out the bottom portion of this letter and return it to school by October 16, 2020.

Thank you for supporting the School Site Council.

Sincerely,

Kristi Puzz, Principal
